We are currently offering exclusive advertising space to those businesses that tailor to auto dealers in the State of Florida. By advertising with us you gain immediate exposure to a captive market of over 16,000 dealers. We are one of only nine approved Dealer Schools in the State of Florida. Get started advertising on our website today with one of three packages.

With ELP Compliance, all of our advertisers have the greatest opportunity to target their customers directly.

With our truly captive audience, this will be the most beneficial site that you will do advertising on.

Depending on the package you choose, you will be seen on almost every page on our site.

Once our advertisers are on our site, we are the best solution for any particular industry, whether it is insurance, commercial bonds (dealer surety bonds), dealer attorneys or even tourist destination hotels looking for a way to meet customers in the State of Florida.
