

ELP COMPLIANCE

The Premier Online Dealer Compliance School

Silver Package

\$399/month

- 1. Link to your company Website on every page throughout our website.**
- 2. Ability to have your company seen by more than a 16,000 person audience.**

We are currently offering exclusive advertising space to those businesses that tailor to auto dealers in the State of Florida. By advertising with us you gain immediate exposure to a captive market of over 16,000 dealers. We are one of only nine approved Dealer Schools in the State of Florida. Get started advertising on our website today with one of three packages.

Our Silver Package gives you (the advertiser) a good method to market your products or services directly to thousands of prospective students on a monthly basis.

Although limited, this package still gives you a good opportunity to get your company noticed by a truly captive audience in the State of Florida.

Your company link will be placed on each and every page throughout the entire website.
